Subject: Review of Amended Notice of Intention to Commence Large Mining Operations, Haul Road from GTO Pit, Lisbon Valley Mining Co., Lisbon Valley Mine, M/037/0088, San Juan County, Utah

Dear Mr. Indergard:

The Division has completed a review of the amendment to the large mine notice, received September 14, 2009. The Division is ready to issue final approval once we receive a more detailed figure of the ramp area coming off the plateau and concurrence from the BLM for the surety. The figure should include a topographic map with a smaller scale and a cross section.

Thank you for your cooperation and patience in completing this permitting process. If you have any questions regarding this letter, please contact me at (801) 538-5261 or Tom Munson at (801) 538-5321.

Sincerely,

Paul Baker
Minerals Program Manager
